

AMVETS POST #3

Dear Rep. Capps,

This letter is in support of your proposed bill; The Veterans Record Restoration Act. First we would like to applaud you for your stance and work on Veterans issues. Many of our fellow Veterans have trouble getting the basic VA health assistance because of the St. Louis fire of 1973. On September 19th at our recent monthly meeting, your District Representative; Raymond Morua presented to our group the purpose of the Veterans Record Restoration Act. I am proud to say that the vote to support this effort was unanimous.

To conclude this letter, AMVETS Post #3 supports the Veterans Record Restoration Act and urges you to proceed with the necessary process to help this bill come to fruition. Congresswoman Capps, thank you for all you do.

Sincerely,

A handwritten signature in cursive script that reads "Geronimo L. Gonzalez".

Geronimo Gonzalez, AMVETS Post #3 1st Vice - Chair
